Dear <First Name>,

We're writing to let you know about an upcoming change to our provider network. **Starting Jan. 1, 2025, Vanderbilt facilities and providers will no longer be part of our provider network.**

What this means for you

We know changes like this aren't easy. But we're here to help you understand your options and get the most out of your benefits. Starting Jan. 1, 2025, your Vanderbilt <facility type> will be out of our provider network.

We know how important a doctor-patient relationship is, so we're sharing this news with you early in case you want to find a new Medicare plan that has Vanderbilt in its network. Our plans still have a wide selection of facilities, but if you want to switch, you'll have the chance during the Medicare Annual Enrollment Period Oct. 15 through Dec. 7. An insurance broker can help you with your choices.

How to keep getting care at your Vanderbilt facility

If you're currently getting ongoing treatment or therapies at a Vanderbilt facility, Medicare requires that you will be able to keep going to them as though they were still in your network for up to 90 days until that care is over. This is called continuity of care.

Your other care options

If you'd like to get the most from your benefits, you can go to a facility in our network. Our network gives you a broad selection of nearby facilities that offer the same type of care as Vanderbilt, including:

We've put together a list of all your options. Have questions or need help? We're here for you. Just call us at **1-800-831-2583**, TTY **711**.

- You can choose a new facility. We've included some options in this letter. But you can also find one using our online provider directory. Or you can give us a call.
- If you feel like this change means you may want a new health plan, you can switch during certain times of the year. From Oct. 15 to Dec. 7, you can join, switch or drop a Medicare health or drug plan. Your new plan will start the next year. Since you're already in a Medicare Advantage plan, you can also switch plans or go back to Original Medicare (and join a stand-alone Part D drug plan) from Jan. 1 to March 31. If this network change impacts you, you can also ask for a special enrollment period. To do this, call 1-800-MEDICARE (1-800-633-4227). And let them know we sent you a letter saying Vanderbilt is leaving our network. You can call them 24 hours a day, seven days a week. TTY users can call 1-877-486-2048.
- In the middle of treatment or therapies with Vanderbilt? You can ask us to continue covering your appointments for up to 90 days until your care is over. Call us at **1-800-831-2583**, TTY **711**, to ask about continuity of care.
